MONTHLY READING LOG

In 1st Grade our homework is to read an *average* of 20 minutes every night, 5 nights a week.

Reading to your kiddo counts! & feel free to read in any language that you speak at home!

Allow students to select what they'd like to read-bedtime story, graphic novel, magazine, cookbook, non-fiction article, lego directions, book on an ipad/tablet... It should be a fun family activity and not a chore.

Please return reading logs on the last Friday of the month!

# of minutes read:	What Did You Read?!
